Fairview Heights
CHAMBER OF COMMERCE
Taking Businesses To New Heights

Fairview Heights Mayor Gail Mitchell, members of the Fairview Heights Chamber of Commerce and representatives of Harbor Freight Tools recently gathered for a ribbon cutting ceremony at the company's newest location in Fairview Heights.

Harbor Freight Tools now open in Fairview Heights

Harbor Freight Tools, the nation's largest discount tool retailer, recently opened their newest store located in the Value City shopping Center at 10709 Lincoln Trail in Fairview Heights.

"We're thrilled to be opening the ninth Harbor Freight Tools store in the state of Illinois, and honored by the sense of community that has been extended to us in Fairview Heights," said Eric Smidt, president of Harbor Freight Tools. "At Harbor Freight, our customers always find quality tools at ridiculously low prices plus superior customer service. In today's economy, we provide a much-needed alternative to the 'big box' retailers that sell high-priced brands and pay minimal attention to customer care."
